As at the Latest Practicable Date, Mr. Li Shusheng had no interest in the Shares within the meaning of Part XV of the SFO.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 250,000,000 Shares of nominal value of HK\$0.01 each. Subject to the passing of the resolution granting of the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to repurchase a maximum of 25,000,000 Shares, representing 10% of the number of issued shares of the Company during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company or (ii) the expiration of the period with which the next annual general meeting of the Company is required to be held by any applicable laws or the Articles of Association or (iii) the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meetings.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association and the Cayman Companies Act. The Cayman Companies Act provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Cayman Companies Act. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in the Cayman Companies Act.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the general mandate to repurchase Shares were to be exercised in full at the current prevailing market value, it may have a material adverse impact on the working capital and the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2021, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the mandate to repurchase Shares to

such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

As at the Latest Practicable Date, none of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, any of their close associates, as defined in the Listing Rules, had any present intention to sell any Shares to the Company or its subsidiaries, if the Proposed Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

No core connected person, as defined in the Listing Rules, has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Proposed Repurchase Mandate is approved by the Shareholders.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Richard Cheng (through Hongyuan Company Limited) is deemed or taken to be interested in 75% of the issued share capital of the Company. In the event that the Directors exercised in full the Proposed Repurchase Mandate, the shareholding of Mr. Richard Cheng in the Company will be increased to approximately 83.33% of the issued share capital of the Company. To the best knowledge and belief of the Directors and in the absence of any special circumstances, such increase would not give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequence which may arise under the Takeovers Code as a result of any repurchase of Shares under the Proposed Repurchase Mandate.

The Directors have no intention to exercise the Proposed Repurchase Mandate to such an extent that the public holding of Shares would be reduced to less than the minimum public float requirement of 25% of the issued share capital of the Company.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares (whether on the Stock Exchange or otherwise) have been made by the Company during the six months preceding the Latest Practicable Date.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the previous twelve months prior to and up to the Latest Practicable Date were as follows:
